We are an ALL-VOLUNTEER excursion railroad operating in north Clark County, Washington. We operate from May through December. There are a variety of volunteer opportunities for railroad enthusiasts including track work, car and locomotive maintenance, serving as part of the train crew or working in the ticket office. The entire operation is run by volunteers, both men and women are welcome to join. We are always looking for new members who love railroads as much as we do!!! So if you want to come out and be part of an actual running railroad or if you want to ride on one of our runs, look us up!! We have more info at www.bycx.com.
